

Home and Community Based Services Settings Transitions: Public Meetings

Join the Iowa Department of Human Services in an open discussion on upcoming changes to the Home and Community Based Services (HCBS) settings.

The Centers for Medicare & Medicaid Services (CMS) have issued regulations that define the settings in which it is permissible for states to pay for Medicaid Home and Community-Based Services (HCBS). The purpose of these regulations is to ensure that individuals receive Medicaid HCBS in settings that are integrated in and support full access to the greater community.

Learn more, ask questions and submit public comments at an upcoming meeting.
